Hiding **16** questions and **1** other sub-question

With filter **q1-is-no** applied

## 1 Are you a current CUOSC member?

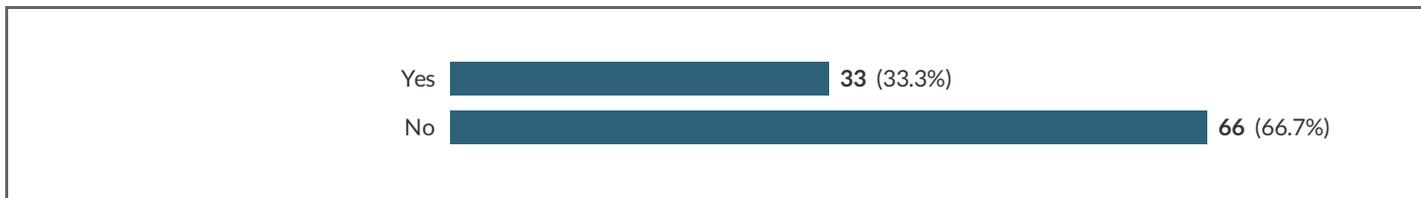

## 18 Please tell us why you are not a current member...

### 18.a If you selected Other, please specify:

Showing all 20 responses	
Under Age	<a href="#">180137-180130-11777667</a>
I live in the States	<a href="#">180137-180130-11778140</a>
<p>NUMBER OF REASONS THE FIRST HISTORICALLY WHEN A NUMBER OF RADICAL FIGHTERS WHO WERE GOOD FOR THE TRUST WERE REMOVED BY A BUNCH OF NON ENTITIES WHO HAVE PROVED EXACTLTLY WHAT THEYRE WORTH OVER THE LAST 10 YEARS IE NIL NOTHING ZILTCH.</p> <p>IT SHOULD NOW STOP MASQUERADING AS A SUPPORTERS CLUB AND SHOULD RETURN TO BEING A RADICAL ORGANISATION THAT SHOULD BE USING THE POWER IT HAS TO REMOVE THE CURRENT QWNERS FROM THE FOOTBALL CLUN ONCE AND FOR ALL</p>	<a href="#">180137-180130-11777981</a>
I may already be affiliated through membership of the SW Scotland group (via. Facebook)? If not, I would certainly be interested in becoming a member.	<a href="#">180137-180130-11779147</a>
Part of Route A66 group but would become a member	<a href="#">180137-180130-11779397</a>
Used to be a big member but moved away and don't get to many away games anymore	<a href="#">180137-180130-11780351</a>
I am not convinced that CUOSC serves a useful purpose.	<a href="#">180137-180130-11780909</a>
Don't trust that the board of CUOSC will represent my view. Very much like the owners of the club, no change and in it for themselves.	<a href="#">180137-180130-11781208</a>
I'm a long standing London Branch member and contribute to the club that way. I joined the Trust when it started but never got any communications so let it drop	<a href="#">180137-180130-11788389</a>
I live away from Carlisle. I am a member of the London Supporters Brancn	<a href="#">180137-180130-11789710</a>
Not sure where best to go to join	<a href="#">180137-180130-11791029</a>
Live out of the country and only attend games when visiting	<a href="#">180137-180130-11798218</a>
Because I can't find my cheque book to pay my membership. Can't you accept an online form of paying?	<a href="#">180137-180130-11811742</a>
Not had the money at the time, but would love to join	<a href="#">180137-180130-11825480</a>
I live in Norway	<a href="#">180137-180130-11825814</a>
It comes over as non-representative and 'closed shop' with a lot of vested interests looking for personal gain.	<a href="#">180137-180130-11853878</a>
no trust/faith in those in charge, private members club	<a href="#">180137-180130-11853973</a>
To much Trust legacy.	<a href="#">180137-180130-11854385</a>
Lack of knowledge about the organisation. Limited understanding of what they are looking to achieve, and why I should become a member. As it stands the lack of coverage the organisation gets is the main issue in my opinion. The only attraction I've been made aware of to join, is to gain priority in terms of tickets for the odd cup game. Would love the organisation to gain more coverage from partnerships with local media, and through their own efforts in terms of social media exposure.	<a href="#">180137-180130-11856365</a>
I don't know what their objectives are or how I would go about joining	<a href="#">180137-180130-11858381</a>

19 Have you considered joining CUOSC?

19.a Please tell us why...

Showing all 66 responses	
Nothing about them	<a href="#">180137-180130-11777600</a>
I dont want to.	<a href="#">180137-180130-11777814</a>
I don't really know anything about it	<a href="#">180137-180130-11777904</a>
Answered above	<a href="#">180137-180130-11778055</a>
I live in the States	<a href="#">180137-180130-11778140</a>
No interest	<a href="#">180137-180130-11778162</a>
Haven't given it any thought. Not relevant to me	<a href="#">180137-180130-11778229</a>
Little point as no one is listening.	<a href="#">180137-180130-11778390</a>
No idea how to join. What the benefits are, and what the point of cuosc is	<a href="#">180137-180130-11779353</a>
Not sure how much good it does. No change of ownership looks like it will ever happen.	<a href="#">180137-180130-11779684</a>
I'm exiled in Northern Ireland so it would be difficult for me to contribute	<a href="#">180137-180130-11780024</a>
I don't feel the organisation has the best interests of Carlisle United at heart, and they have been a stumbling block for the development of the club over recent years.	<a href="#">180137-180130-11780364</a>
Its a clique and the board rep seems as much use as a chocolate teapot	<a href="#">180137-180130-11780300</a>
Involvement of previous members of the Trust	<a href="#">180137-180130-11780432</a>
Used to be a member. Lost interest and couldn't see benefit of rejoining.	<a href="#">180137-180130-11780365</a>
I have no idea how it would benefit either the club or I	<a href="#">180137-180130-11780613</a>
Just a supporter. Don't want to get involved in how the club is ran behind the scenes.	<a href="#">180137-180130-11780644</a>
I'm not a joiner of organisations.	<a href="#">180137-180130-11780718</a>
Don't believe in trusts, supporters groups being involved in running clubs which are actually businesses. Those that foot the bills should run the "clubs".	<a href="#">180137-180130-11780848</a>
No confidence	<a href="#">180137-180130-11780954</a>
Former member. ive no wish at all to rejoin. Theyve done nothing for the average fan for years apart from feather the nest of Norman Steele	<a href="#">180137-180130-11781023</a>
Just a fan wanting to watch football that's it	<a href="#">180137-180130-11781163</a>

Need a complete change of the board. Norman Steele has been trust rep for around 10 years and has not once done anything remotely useful in terms of representing the fans views/issues. He must resign along with the rest of the board is CUOSC is ever to go anywhere	180137-180130-11781242
not while nixon and pattinson are at the club i wont be back	180137-180130-11781237
As previous answer	180137-180130-11781484
Do not see benefit	180137-180130-11781506
Do not join anything	180137-180130-11781708
Toothless organisation	180137-180130-11782043
Not enough info or beneficial impact for me.	180137-180130-11782073
Never been to interested of the politics of the club	180137-180130-11782156
Don't believe it will make any impact	180137-180130-11782939
have never represented large section of fan base	180137-180130-11783976
Poor communication with fans. Past years of shambles.	180137-180130-11785383
People at the top only in it for self gain	180137-180130-11785829
Don't seem to do anything and never have.	180137-180130-11786447
Live 300 miles from Carlisle, only really get to a few away games these days, probably 6-8 per season	180137-180130-11786423
I want long term assurance that the 'clique administration' element will not return and I want to be more regularly informed on situations, not as an after-thought.	180137-180130-11788013
Done nothing to help the club in my view.	180137-180130-11788443
LB membership provides the 'services' I need. CUOSC still doesn't seem to exert the influence on the CUFC boards that the Trusts' share ownership should ensure.	180137-180130-11788389
Happy tom be in the London Branch although not from London	180137-180130-11789710
never crossed my mind	180137-180130-11790437
Don't see the point	180137-180130-11794514
Don't really know, I haven't thought about why I should join, I only go to watch football, don't want to get involved in anything political	180137-180130-11794812
Useless organisation	180137-180130-11796505
Because I do not believe the changes we were promised have happened, or ever will.	180137-180130-11797018
Not necessary	180137-180130-11798218
the way the trust was run	180137-180130-11799200
I don't really know who CUOSC are and what benefit I would get from being a member	180137-180130-11804663
CUST	180137-180130-11809652
Don't know why it would be financial beneficial or useful to me	180137-180130-11809850
No Point.	180137-180130-11814613

Not sure what it's all about and I've read in the past the organisation has held the club back. If that's all wrong or it's in New hands and doing good for the club then I certainly would be interested in joining. Cheers John.	180137-180130-11815094
I live in Norway	180137-180130-11825814
I mistrust the Trust and Mr Steele puts me off the whole organisation.	180137-180130-11853394
Do not represent the whole fan base	180137-180130-11853973
Undemocratic, toothless organisation. Absolute amateurish.	180137-180130-11854027
To much Trust legacy.	180137-180130-11854385
Too many cliques, including many people who think they are 'special'.	180137-180130-11855260
As above limited information re the benefits of joining.	180137-180130-11856365
No reason	180137-180130-11856717
see previous question	180137-180130-11858381
What does it achieve	180137-180130-12021059
I simply haven't considered it. I see no benefits and not being a member doesn't prevent me from being a CUFC fan	180137-180130-12047642
I don't see CUOSC as a particular active organisation. Fan's rep seems to have achieved more in 6 months (or has at least been more vocal) than CUOSC has in 10 years.	180137-180130-12284347
Do not know enough about it.	180137-180130-12322517
.	180137-180130-12323114

20 Please let us know if you have any further feedback...

Showing all 14 responses	
YES RETURN THE TRUST TO THE PEOPLE WHO FOUGHT TO SET IT UP AND LET THEM GET ON WITH DOING WHAT IT WAS SET UP FOR IE REMOVING ANY OWNERS WHO ARENT WILLING TO RUN THE CLUB IN THE SUPPORTERS INTERESTS AS OPPOSED TO THEIR OWN.	<a href="#">180137-180130-11777981</a>
See above	<a href="#">180137-180130-11778390</a>
There needs to be more training for the stewards to deal with the enquiries that fans have when they come to the ground, and the stewards also need to know that they have adequate backing from management when there is problems	<a href="#">180137-180130-11778758</a>
I do not feel they are representative of my views. Too few people with too much power	<a href="#">180137-180130-11780432</a>
I thought the survey would have been on a wider range of subjects.	<a href="#">180137-180130-11780718</a>
1) Improve communications. 2) Represent the fans and not the owners.	<a href="#">180137-180130-11780909</a>
CUOSC is still widely regarded as a closed shop, something that needs to change before it is regarded as being the mouthpiece of the average fan	<a href="#">180137-180130-11783024</a>
When is alan steel going to stand down.	<a href="#">180137-180130-11783924</a>
I appreciate there has recently been some change, but not enough. What about the months of silence regarding the "billionaire"?!	<a href="#">180137-180130-11785383</a>
Needs to be elections every 3yr for the top man and you can only be reelected for 3 terms	<a href="#">180137-180130-11785829</a>
CUOSC needs to have clear separation between the tradition 'supporters club' role of day to day support for the team and the share ownership role which may need to be actively critical of the company/ies controlling the football club.	<a href="#">180137-180130-11788389</a>
Please start standing up to the club. You are viewed as a bit of a joke. You need to start asking those questions. Our club is in trouble. Cuosc don't seem to know or care.	<a href="#">180137-180130-11811742</a>
CUOSC rose out of the Trust which was not functioning other than for one or two of its members. It remains too similar to the Trust and at the speed it is changing will remain so for years.	<a href="#">180137-180130-11853394</a>
Unify all supporter groups, get rid of the old Trust Guard who almost killed our Club.	<a href="#">180137-180130-11854385</a>

**21** Got a question for us? Please leave us your questions and email address below and we will get back to you as soon as possible.

Showing all 11 responses	
My opinion would be to get a new screen at Brunton Park.	<a href="#">180137-180130-11777667</a>
YES IF I LOAN YOU 50K CAN I SIT ON THE CLUB BOARD FOR THE NEXT 10 YEARS	<a href="#">180137-180130-11777981</a>
What happened to the multimillionaire interested in the club.	<a href="#">180137-180130-11778390</a>
Do you feel that the supporters club represents all the fans and not just a select few	<a href="#">180137-180130-11778758</a>
How and when are we all joining together to aid each other in support of our club	<a href="#">180137-180130-11779397</a>
Why have CUOSC/Trust not badgered the board for answers about the (now as it seems and was all along) fictitious billionaire? Or if they have why has this not been communicated?	<a href="#">180137-180130-11780300</a>
Why cant members elect the board representative. They can only elect comitee members.  Will norman steel be writing off some off the debt in lieu of all the freebies he has had in the last ten years as a director.  Is the trust embarassed that the new supporters rep has done more to represent and feedback to the fans than norman steel has in ten years	<a href="#">180137-180130-11783924</a>
Seem to be a few different 'supporter groups'. Who are they and what do they do?	<a href="#">180137-180130-11786423</a>
When is the hierachy at the trust going to start to grow a pair and get these owners ousted and get answers..	<a href="#">180137-180130-11788443</a>
Is there a billionaire? Seriously, the CUOSC does seem to be better at defining the key questions than the Trust. Need a few more answers from the custodians	<a href="#">180137-180130-11788389</a>
How do you join?	<a href="#">180137-180130-11804570</a>
